

Delegate fee

€ 145 excl. VAT, incl. access to the entire programme, coffee & tea, lunch and networking drink.
€ 95 excl. VAT, for members of Amsterdam BioMed Cluster, BioFarmind, EENetwork, MedtechPartners, Nefarma and Niaba.

Exhibition fee

€ 1.500 excl. VAT for a standard booth: 3 x 2m exhibition space and 2 entrance tickets.
€ 950 excl. VAT for a table-top booth: 2 x 2m exhibition space and 1 entrance ticket.

Executive Dinner

To facilitate optimal networking between executives of leading Life Sciences & Medtech organizations, an exclusive dinner will be held at the Restaurant Waterfront of Schouwborg Almere, from 5.30 to 7.30 pm. This 'Executive Dinner' allows you to avoid the traffic jams and gives you the possibility to network with the decision makers in Life Sciences Netherlands while enjoying a nice meal. There is room for a limited number of executives, so register as soon as possible for the Executive Dinner via the website.

€ 250 excl. VAT, incl. registration fee for BioBusiness Event
€ 125 excl. VAT, excl. registration fee for BioBusiness Event

It is also possible to reserve a table for your organization, so you can have dinner and network with your own guests. For more information contact the organization.

10 JUNE 2010
Schouwborg Almere

Connecting Science to Business

The Business & Partnering Event
for professionals in Life Sciences and MedTech

BioBusiness Event 2010 will take place on June 10th at Schouwburg Almere. BioBusiness Event is the annual Dutch business & network meeting for professionals in Life Sciences & MedTech. It provides a meeting place for the Life Sciences & MedTech community and a platform where executives, entrepreneurs, managers, business developers, tech transfer officers and scientists can meet, interact and learn from each other. BioBusiness Event is the ideal venue to maintain and expand your network.

BioBusiness Event 2010 will address the national and international developments in the Life Sciences and MedTech sector. The sector is changing rapidly and new opportunities are emerging in the area of personalized medicine, disease management, emerging markets etc. As a result, the traditional "business models" are being challenged and new strategies, processes and skills need to be developed. With the theme "BioBusiness on the Move" BioBusiness Event 2010 will present a programme regarding these topics.
