## Amsterdam BioMed News

### BioPortEurope kick off

26 October 2009

The first introductory meeting of BioPortEurope proved to be a success with enthusiastic response from regional financial and business services companies. BioPortEurope is a professional Life Sciences expertise and trading center assisting Indian Life Sciences companies that wish to enter the complex European market. [Continue>>](#)

### Life Sciences Center Amsterdam granted EFRO subsidy

The Life Sciences Center Amsterdam (LSCA) has received a grant of €2.1M from the European Fund for Regional Development. The objective of the Center is to gain further economical and social spin off from Amsterdam's strong biomedical knowledge base. [Continue>>](#)

### "Amsterdam Human Capital" to beat worldwide war for talent

Within the Amsterdam Metropolitan Area, two critical sectors, life sciences and ICT, experience a shortage of talent. The project "Amsterdam Human Capital", recently awarded a "Pieken in de Delta" grant, aims to actively recruit and support (international) talent, icw regional institutions of higher learning, the LS and ICT clusters and government. [Continue>>](#)

### Column: It's business stupid

What is it with the Dutch that they have such difficulty grabbing business opportunities in a changing world? We have the brains, we have the money and the opportunities are plenty. Still, during the last 40 years hardly any company of substantial size has emerged next to the old industry in the AEX. [Continue>>](#)

### Join the Investor Forum at Life Sciences Capitals 2009

The Investor Forum, which will be held December 9 at Life Sciences Capitals 2009 in Leiden, offers excellent opportunities to present your company to Life Sciences investors and discuss your business strategy, technology directions and capital raising plan. Prior to this event, interested companies are invited to participate in a dry-run presentation. [Continue>>](#)
