MEDICA 2009

18-21 November 2009

MEDICA is the center of attraction for all those involved in the health care industry. More than 135,000 visitors from over 100 countries will obtain information on all the current and future trends in in-patient and out-patient care at this annual event, which will be held in Düsseldorf, Germany. With its extensive ancillary program, numerous special events, two major congresses and the largest product display in the industry, MEDICA is the hub of the medical trade.

On November 19 and 20, Syntens organises a collective bus trip to MEDICA. Furthermore, Syntens may support you by preparing your MEDICA visit. [More information](#) (in Dutch).

Brokerage Event

During the MEDICA, a Brokerage Event (Match Making) will be held by the Enterprise Europe Network. Whether you are a market leader or an innovative newcomer, you can use this opportunity to present your products and services to an informed audience. Deadline for application is September 30 2009.
